Who's invited

- Civil society organisations (CSOs) (environmental, fisherfolk, women and youth groups) with mandates for coastal and marine resources management
- Small and micro enterprises (SMEs) with an interest in coastal and marine resources management

What you'll learn

- How the C-SAP was developed
- The strategies and priority actions in the C-SAP
- Why it's important that the C-SAP is implemented
- How CSOs and SMEs can endorse the C-SAP
- What resources are available and needed to help CSOs implement the C-SAP

The webinar will be held in English at 1 pm Atlantic Standard Time (AST) on April 24 and in Spanish at 1 pm AST on April 25. Join us here:
